**One River School of Art + Design presents  
MATTHEW F FISHER  
Solo Exhibition ‘Hello Sea’**

**One River School of Art + Design** is proud to present “Hello Sea” a solo exhibition by *Matthew F Fisher* at One River School in Englewood, NJ. Join us for the opening reception on Saturday, September 9th from 1PM to 4PM featuring an Artist Talk at 2PM. Fisher’s work will be on display until November 5, 2017.

Fisher’s works are images of a moment, or maybe several, that have happened or will happen. Or maybe not. They are not magical, they are not superficial or surreal. Rather, they are once in a life time action, frozen just at the right instant so that everything lines up with the edge of the canvas or other elements within the painting. Our location, right then and there is transformed into something special. Our cosmic placement, both in space, time, and on this earth, is the exact reason why we see what we see.
